

I'm donating Fanzines

***If you can fill this out for each zine that's cool :
it'll save us a lot of time!***

Otherwise, it's okay. Thank you for your donation!

The Fanzinarium is a small association without means. We accept all donations (on condition that they comply with our values, but we are not sure we can keep everything on the shelves at 48 rue des vignoles 75020 Paris FRANCE. Be aware, however, that we will avoid throwing away: we will store (there where we can), we will lend or give (to other structures), we will exchange ... In short: we will

do our best.
